

Dear David,

Bravo! Bravo! Bravo!

(and there is much more  
I want to write to you  
about but for time);

if you have an object  
before you in a learning  
situation; which might span  
from one on one self vs.  
stone, to a group of  
people discussing a particular  
rock, certainly the object  
provides some transcendental  
status to the content of  
learning - (?) yours,
