

my dear friends Kathryn
how are you? I hope
are your special projects these
you been doing? I was thin
Chinese box painting of mi
out with the clear light (a
winning) a propo doing push
in the icy mud and snow (a
many minutes) and seems to
that they usually win though
confusion re that time about
back in the winter. So I'm daddie
ever I suppose, goat lab is past
to the mountains and are presen
Climbing. Please write me
your friend, Mike Fellow

to J

David,
you are well. what
se days and what have
king about Robert Nuese's
ckey mouse fighting it
nd the clear light
ups with our bare hands
neath the tower (for
me viz. 'fighting snowballs'
n there seems to be some
tying by a beetle a few years
g along, making as little sense as
we are going to take harmonica
ntly learning the arts of
the Berteley library address.
ps. recieved a ~~letter~~ letter from J. Nolan surprise!
