Dear David and Kathy,

Received your letter
with all that meety
information — but I
lost it! How could I?
I have been exasperated
for several hours; and
all that was left was
a receipt for 10.34
reminding me of my financial
problems. How I long
to be a practical
invention. Could you please

12/19/51

write me that information
again? This time send it

to San Diego (my address:
2879 Angell Ave
92122
453-3260)

or to Morro Bay

480 Avalon St
Morro Bay, Ca 93442

I could call Berkeley pretty
cheap from there if you or
Robert and Ginger were going to be
there on the 16th-17th. Anyway,

I'm sorry.

love, Mike
