David,

Shit! Here now a couple of months have gone by, and I haven't returned your invitation to do something — i.e. visit after all these years! Scouts honor, I've been planning to call.

Ran into Ralph Cherry at school and we've done a few things together. I've been corresponding with Penny, seeing Fred and Robert regularly, Lisa Clark, talk to M. bench occasionally, got the word on Kofferting, ^{Full R. and} Emerson.

Sorry about being so slow. My # is 755-7075 or 453-3260 (parents). Let's do something.

Mike
